China's Dongfang Electric built Thailand's first integrated floating solar plant at Ubon Ratcha Wora Maha Na Ayutthaya Dam in record time. Here's why it's cool: Local engineer Tirachai sums it up: "Our ...

Technological advancements are dramatically improving solar storage container performance while reducing costs. Next-generation thermal management systems maintain optimal ...

SolarEdge also showcased its Commercial Storage System (CSS-OD), a scalable energy storage solution offering 102.4kWh base capacity with expansion potential up to ...

SolarEdge also showcased its Commercial Storage System (CSS-OD), a scalable energy storage solution offering 102.4kWh base ...

At the booth, Mr. Kittisak introduced the new Delta LFP Battery Container, designed for grid-scale and medium to large-scale industrial ...

Bangkok's streets buzzing with electric tuk-tuks charged by solar farms, while resorts in Phuket keep their aircons running smoothly using battery systems. This isn't science ...

1 MW of power packed into a compact container, the ZBC 1000-1200 is the largest battery pack in our container range of energy storage systems. It demonstrates plug and play capabilities and ...

As Bangkok races toward its 2030 renewable energy targets, the Bangkok Energy Storage Power Station Project emerges as a game-changer. This article explores how cutting-edge battery ...

At Asia Sustainable Energy Week (ASEW) 2025 on 2-4 July in Bangkok, Trinasolar, a global leader in smart
