We conduct a thorough site evaluation, then deliver the fully equipped container to your location. Once connected to your energy source (solar, ...)

We make mobile solar containers easy to transport, install and use. Make the next step towards renewable energy with our Solarcontainer! The challenges of our time are more present than ...

The 20ft Mobile Solar Container by HighJoule offers 80KW of solar power using high-efficiency 480W modules. With an industrial-grade build, it's an excellent choice for mid-sized, scalable ...

We conduct a thorough site evaluation, then deliver the fully equipped container to your location. Once connected to your energy source (solar, grid, or generator), we perform system checks ...

This compact 8ft foldable PV container combines 18kW solar generation and 20kWh storage, offering a versatile and transportable solar energy solution. It's ideal for rapid deployment in ...

Discover our range of innovative solar panels on shipping container products engineered to meet your renewable energy needs with maximum efficiency and reliability.

Explore our range of high-efficiency solar container solutions designed for businesses worldwide. Our containers combine cutting-edge technology with durability and ease of deployment.

Types of our mobile solar constructions. We offer two types of solar containers that differ in design and power output. Besides our flagship, auto-foldable container, we also offer the manual ...

The Solar Container can be used in a wide range of commercial, industrial, and large-scale solar applications.

MEOX Mobile solar container is CE-certified, IP65-rated, resistant to dust, water, ...

The Bluesun 20-foot BESS Container is a powerful energy storage solution featuring battery status monitoring, event logging, dynamic balancing, and advanced protection systems. It also ...

Powered by premium 610W panels, the 100KW Mobile Solar Container from HighJoule delivers maximum energy density in a compact 20ft format. It's optimized for grid-tied setups requiring ...
