Where can I buy wholesale batteries?

Feel free to contact our sales staff with any wholesale battery questions, or volume pricing concerns, that you may have before placing your order. Purchase bulk and wholesale batteries for your company at Battery Mart. Our inventory includes wholesale rechargeable batteries, car & ATV batteries, and more!

What is the difference between GNB Absolyte GP and SolarEdge home batteries?

The GNB Absolyte GP is 1997 UBC/2001 CBC Seismic Zone IV qualified to stack horizontally up to eight high. This provides for high capacity in a small footprint. These replace the older Absolyte II series batteries. The SolarEdge Home Battery is a Lithium-Ion battery with DC-Coupled technology and is UL9540A Tested.

Does batterymart offer wholesale batteries?

BatteryMart.com offers wholesale batteries to corporations, schools and to governments organizations. Many of our products already include steep discounts for bulk purchases. Just look for the volume pricing table displayed below the price of the product you wish to order.

Which battery is best for solar energy storage?

Very popular for solar panel system energy storage due to their longevity and lack of fumes due to their sealed container. The Absolyte GP industrial sealed battery by GNB Industrial Power is a VRLA battery that does not require added water for the life of the battery.
