Custom Air Products and Services specializes in the custom design, engineering, and manufacturing of explosion-proof HVAC systems. Our ...

Ex-Machinery manufactures a comprehensive range of ATEX certified, explosion proof air conditioners for use in hazardous areas. Our inverter models, utilizing R32 or R-410A ...

The evaluation of corrosion-resistant isolation inverter suppliers is crucial for industries reliant on durable and efficient equipment. This chart compares five suppliers based on their corrosion ...

Ingress protection and corrosion-resistant paint system offer protection in potentially hazardous environments. Non-sparking brass v-ring shaft slingers used on the drive end (DE) and ...

Find your explosion-proof dc/ac inverter easily amongst the 3 products from the leading brands (Absopulse, VEICHI, ...) on DirectIndustry, the industry ...

The Birdwell product line provides custom engineered and built severe duty and explosion proof HVAC, pressurization and chemical air filtration equipment. Birdwell equipment is constructed ...

The Birdwell product line provides custom engineered and built severe duty and explosion proof HVAC, pressurization and chemical air filtration ...

Find your explosion-proof dc/ac inverter easily amongst the 3 products from the leading brands (Absopulse, VEICHI, ...) on DirectIndustry, the industry specialist for your professional purchases.

Specific Systems™; InPac™; Series explosion proof air conditioning units are engineered and proven

Corrosion-resistant and explosion-proof inverter manufacturers
