Where can I find an electrical circuit breaker?

If you're looking for an electrical circuit breaker, you've come to the right spot. We at Breaker Outlet keep a wide variety of circuit breakers in stock from manufacturers that dominate the industry, as well as older companies in case the electrical circuit breakers you're looking for might be from an older model.

Where can I find reliable circuit breakers & electrical equipment?

Your Trusted Source for Circuit Breakers and Electrical Equipment At Breaker Broker, Inc., we know how important reliable electrical components are to keeping your operations running smoothly.

Who is breaker broker?

Unlike big-box suppliers that only carry current SKUs, we go beyond. Breaker Broker stocks surplus and obsolete circuit breakers that are no longer manufactured but still widely used in buildings, factories, and commercial facilities. This allows us to provide critical components you won't find anywhere else. We don't just stop at circuit breakers.

What types of circuit breakers are available?

Our comprehensive inventory includes circuit breakers from major manufacturers, ranging from new to hard-to-find and used options. We provide a one-stop solution with our selection of miniature, molded case, and insulated case circuit breakers, as well as air breakers, vacuum breakers, load break switches, and related parts.
