---

Freedom Plaza will extend BIG's contribution to New York City's waterfront, alongside adjacent coastal projects that include the East Side Coastal Resiliency project, the Battery Park City ...

From backyard solar setups to industrial power plants, these metal workhorses come in dimensions that'll make your head spin faster than a wind turbine. We're talking ...

LZY mobile solar systems integrate foldable, high-efficiency panels into standard shipping containers to generate electricity through rapid deployment generating 20-200 kWp solar ...

Our Solar System is staggeringly big in human terms. If you look through a small telescope at the bright shape of Saturn, you will see ...

Shaped by the movement of the water, the surrounding park is designed by BIG Landscape and manages storm surges through sloping terraces, vegetated dunes, and wetland gardens that ...

The Bluesun 40-foot BESS Container is a powerful energy storage solution featuring battery status monitoring, event logging, dynamic balancing, and advanced protection systems. It also ...

Developed by Tishman Speyer and built by Turner, the commercial high-rise was designed by BIG in collaboration with Adamson Associates and structural engineer WSP Cantor Seinuk. ...

BIG has grown organically over the last two decades from a founder, to a family, to a force of 700. Our latest transformation is the BIG LEAP: Bjarke Ingels Group of Landscape, Engineering, ...

Solar shipping container condenses it all into electricity production and energy storage in a 40-foot or 20-foot shipping container, plug-and-play factory-wired installation.

Solarcontainers have a tailored system with a mobile structure and easy assembly solution which makes it superior over similar current solar solutions. The base of the Solarcontainer is a solid ...

Solarcontainers have a tailored system with a mobile structure and easy assembly solution which makes it superior over similar current solar ...

It is the global volume leader among Tier 1 lithium battery suppliers with plant capacity of 77 GWh (year-end 2019 data). Range of MWh: we offer 20, 30 ...

Our latest transformation is the BIG LEAP: Bjarke Ingels Group of Landscape, Engineering, Architecture, Planning and Products. A plethora of in-house perspectives allows us to see ...

BIG's aim was to amplify Treehotel's focus on sustainability and natural tourism, and create a resilient design in a region with strong seasonal climatic contrasts.

Throughout the building, warm wood cladding and concrete floors are accented with the school's signature colors of red and gold. The BIG-designed interiors are designed to accommodate ...

Get detailed specs and pricing for Sunmaygo's solar containers. Compare models, battery options, and calculate ROI. Find the best mobile solar power system for your needs.
