Does Huawei have a Smart Warehousing facility in South Africa?

(Source: Huawei) Chinese multinational Huawei has opened a smart warehousing facility focused on green energy, e-security, and modern logistics (GEM) this week in Johannesburg, South Africa. The facility is equipped with advanced artificial intelligence (AI) for access control and the latest warehouse management system applications.

How does Huawei South Africa's warehouse work?

“The warehouse facility is split into two sections, one section is dedicated to in and outbound tech movement, while the other section handles localized supplies and spare parts,” Stevin du Plessis, logistics manager for Huawei South Africa's supply chain business department, explained during a tour of the facility in Johannesburg.

Where is Huawei located in South Africa?

Huawei is located in Building 28, The Woodlands, Woodmead in Johannesburg, on the 1st floor (The Huawei Sub-Saharan command centre). Huawei also has a Technical Training Centre in South Africa, co-manned by Telkom.

Where can I buy Huawei products in South Africa?

Shop the Huawei Online Store on takealot.com and get these high-quality products delivered straight to your door, anywhere in South Africa. Enjoy same-day and next-day delivery or collect in urban centres, or collect your order from one of over 90 Takealot Pickup Points nationwide.
