What is Santak TG series ups?

SANTAK TG series UPS is offline UPS to provide reliable power protection against 3 of the most common power problems (power failure, power sags, power surges). TG adopts high frequency PWM technology and advanced SMD technology, to achieve the space-minimized and more reliable design.

What is twinguard (TG) series ups?

TwinGuard (TG) series UPS adopts high frequency PWM technology and advanced SMD technology, to achieve the space-minimized and more reliable design. Thanks to its compact size, TG can be installed easily either in a business environment or at home.

What is an uninterruptible power supply?

The purpose of an uninterruptible power supply is to protect whatever is plugged into it. For a PC user, this means your PC and your monitor. For a console gamer, this means your console and possibly your TV, though you can safely turn off modern consoles using only the power button, unlike with desktop PCs.
