Other (other + plural or uncountable nonspecific noun) You can say: "If I had another five dollars I could afford it." - Five dollars is single unit of money. I have to admit that ...

0 Both are grammatically correct. You can use Something or other which is a usual way of representing. Another method is One thing or another.

The string an other is vanishingly rare in English. In contrast another is positively pervasive. I think it would be fair to say that the second has eclipsed the first to the point of making the first ...

In short, you can indeed run power to a container - either by extending a line from the grid or by turning the container itself into a mini power station using solar panels.

There's a formula: another = an + other. Think of it as of an article plus the word "other" that have historically merged into one word. Grammar requires some article before "other book"; either ...

This is an interesting usage note extracted from the "each other" page of Yahoo! Education (emphasis added). It answers your question. It is often maintained that each other ...

What are other ways one can say that have the same meaning as, "I'm rooting for you?"

Solar energy containers encapsulate cutting-edge technology designed to capture and convert sunlight into usable electricity, particularly in remote or off-grid locations. ...

The Intech Energy Container -- or ECON -- is a modular, pre-configured off-grid power solution. It combines solar PV, battery storage, inverters, and energy management in a rugged container.

What Are Shipping Container Solar Systems? A shipping container solar system is a modular, portable power station built inside a standard steel container. A Higher Wire system ...

"No other," answers A, but my stationer." Here the expression, as Baker remarks, seems strictly proper, the words no other having a reference to A. But if the stationer had been the only ...

This article explores what solar power containers are, how they work, their design principles, industrial applications, benefits, challenges, and the future outlook for this ...

So "on the one hand" and "on the other hand" should be used to mention about 2 opposite ideas in terms of an issue. But if you use "on the one side" and "on another side" to ...

Below is a narrative description of how a solar-powered shipping container is revolutionising the face of access to global energy, off-grid energy, grid backup, and clean ...

What Are Shipping Container Solar Systems? A shipping container solar system is a modular, portable power station built inside a ...

ODO on some other gives an example and definition which is remarkably similar to another. However the other uses the definite article and must refer to something specific. There is no ...
