-----

Technical parameter Maximum Power(W) 180W Optimum Power Voltage(Vmp) 36.42V Optimum Operating Current(Imp) 4.96A Open Circuit Voltage(Voc) 44.45V Short Circuit Current(Isc) ...

MODEL: GS-Star-180W High Efficiency Monocrystalline Photovoltaic Module Overview th high module conversion e iency and long term output reliability. Virtually maintenance free. ...

High-power module (180W) using 155.5mm square monocrystalline silicon solar cells with 13.7% module conversion efficiency. Photovoltaic module with bypass diode minimises the power ...

This mono-crystalline 180 watt module features 13.8% module efficiency for an outstanding balance of size and weight to power and performance ing breakthrough technology ...

This document provides specifications for an SLP180S-12 monocrystalline PV module from Solarland USA. The key specifications include a ...

180W Monocrystalline Solar Panel with 22.8% high efficiency. Features 10BB cells, IP67 waterproof rating, MC4 connectors. Perfect for 12V/24V/48V battery systems. Durable ...

Explore the power of SLD Tech"s 180W monocrystalline solar panel. Engineered for reliability and efficiency, our solar panels are designed to thrive in hazardous environments while providing ...

MG Solar 180W Panel module assembled with PERC cells, the configuration of the modules offers the advantages of higher power output, cells temperature- dependent performance ...

This document provides specifications for an SLP180S-12 monocrystalline PV module from Solarland USA.

The key specifications include a maximum power output of 180W, open circuit ...

With a 20.8% solar cell efficiency, this 180 Watt Solar Panel ensures maximum power generation. Designed to withstand high wind pressure, snow loads, and extreme temperatures, it offers ...

With its maximum power output of 180 watts under standard test conditions (STC), this panel ensures consistent power generation. Operating at a voltage suitable for a 12-volt system, the ...

With its maximum power output of 180 watts under standard test ...

With a 20.8% solar cell efficiency, this 180 Watt Solar Panel ensures maximum power generation. Designed to withstand high wind pressure, ...

180W Monocrystalline Solar Panel with 22.8% high efficiency. Features 10BB cells, IP67 waterproof rating, MC4 connectors. Perfect for 12V/24V/48V ...
