Who is the best solar company in 2025?

Our selections are subject to change as we review more companies or as companies change their offerings. Palmetto Solarcontinues to hold the top spot on CNET's best solar company list in 2025. Our staff of editors and writers have reviewed and evaluated 18 solar companies to date, and Palmetto continues to stand out for several reasons.

Is Trinity solar a good company?

For a while, Trinity Solar was CNET's top company for customer service and still receives top marks. It also offers quality equipment and warranties, although some of its warranties, like its workmanship warranty, are a bit weaker than other companies.

Who are the partners in solar energy companies?

That said, the analyses and opinions on our site are our own and we believe in editorial integrity. The following companies are our partners in Solar Energy Companies: SunRun, Home Solar Rebates, Solar Direct, Solar America, mySolarCost, Sesame Solar, and Ask Solar.

Is Palmetto a good solar company?

It's true that many solar companies offer quality equipment and good customer communication, but Palmetto also stands above its competitors with price transparency and robust customer service plans. In an industry that can often be hard to navigate, Palmetto's transparency is valuable for prospective solar buyers.
